

## WEST AUCKLAND PARENTS CENTRE

### Mother's Day

Every year on Mother's Day, West Auckland Parents Centre goes to Waitakere Hospital to give gift baskets to all new Mum's in hospital on that day.

We gave 24 gifts baskets and one large basket to Melanie Hornby, whose baby was delivered first on Mother's Day at 1.44am, a baby girl named Amy Elizabeth, who weighed 7lbs 5oz (pictured).

Special thanks to Suzanne Irving and Heather Martin for contacting the local businesses and making up the 25 gift baskets.

Without the support and sponsorship from the businesses shown below this event would not be possible. A big thank you (in alphabetical order) to:
